Project Erasmus+ № 561775-EPP-1-2015-1-DE-EPPKA2-CBHE-JP
Trans-Regional Environmental Awareness for Sustainable Usage of Water Resources/ TREASURE-WATER (2015-2018)

«Институциональное партнерство в целях устойчивости трансграничного водопользования: Россия и Казахстан»

QUALITY PLAN

№	Activity	Level	Outcome/indicator	WP / stage of the project	Responsible actor
1	Quality analysis of existing courses at all PCIs	Institutional	Report	WP7,2 ; Year 1	PCI coordinators, Heads of IWGs
2	Checking and analysing the existing QA procedures at each PCI	Institutional	Report/summary	WP 7,2, Year 1	PCI coordinators, Heads of IWGs
3	Consulting the EU partners on the QA mechanisms and standards at their institutions	International	Minutes of meetings	WP7,2 ; Year 1	EU and PC coordinators, Heads of IWGs
4	Development of QA instruments in conjunction with the key stakeholders in the Water Sector and Water resources management structures	National, local	Up-dated QA plan	WP7,2 ; Year 1	PCI coordinators, Heads of IWGs
5	Comparative analysis of the QA mechanisms in RU, KZ and EU	International	Summary/report/minutes	WP7,2 ; Year 1	EU and PC coordinators, Heads of IWGs
6	Development of qualifications descriptors and quality indicators on the basis of the needs analysis	International	Regional Qualifications framework for TWRM	WP7,2 ; Year 2	EU and PC coordinators,

			sector		Heads of IWGs
7	Establishing correlation of the methodology of course description based on ECTS and qualifications framework with official standards and requirements at each PI	Local	Minutes of consultations	WP7,2 ; Year 2	PCI coordinators, Heads of IWGs
8	Producing an acceptable for each PI model of the QA standard evaluation for the courses to answer the needs of the employers and at the same time to be recognised officially	National, local	Summarising document	WP7,2 ; Year 2	PCI coordinators, Heads of IWGs
9	Getting approval of the designed curricular for the TWRM staff professional development by the local QU units and other relevant structures (e.g. the ministries of education where necessary). Making sure that all PI departments in charge of continuing education are properly licensed.	National, local	Permission to implement courses	WP7,2 ; Year 2	PCI coordinators, Heads of IWGs
10	Monitoring the quality of the syllabi and the courses developed through regular contacts with the industry and governmental partners via consultations, surveys and staff retraining courses delivery. Analysis of the feedback and disseminating it to all partners.	International, national, local	Summaries of surveys available	WP7,2 ; Years 2-3	EU and PC coordinators, Heads of IWGs
11	Organising external expert monitoring of the quality of the developed courses (representatives of water industry and TWRM governmental bodies, EU partners, national Erasmus+ offices, etc.)	National, international	Feedback from NEO, EACEA and external stakeholders	Throughout the project	EU and PC coordinators, Heads of IWGs
12	Regular contacts with the National Erasmus+ offices;	National	Meetings, telephone contacts, email	Throughout the project	PCI coordinators, Heads of IWGs
13	Regularly getting and analysing feedback from the courses participants, recent graduates and senior students, to constantly improve and up-date the content and the lists of the courses offered	Local, international	Questionnaires and interviews	Throughout the project	EU and PC coordinators, Heads of IWGs
14	Presenting Quality control report in the Interim and Final reports on the project	International	Texts of reports	WP7,9, Year 3	EU and PC coordinators, Heads of IWGs
